agree the irrevocable and timely unlimited contract.

Rights to Photographs from ..... Photographs made by the photographer of the model in the photographs. Publication not for pornographic or commercial use of images in pornographic or similar media (except social media).

The naming of the model is the responsibility of the photographer.

Three weeks after the shoot, the model receives a CD or a link for download from the photographer with a large selection of photos created by the photographer and selected by the photographer.

These photos may freely use the model for personal purposes and own advertising (applications, model-map, own homepage, sedcards, internet pages, databases, catalogs of model-agencies or other third parties). A sale and / or transfer of image rights to another party, for example, not allowed for commercial purposes. With this fee all claims of the model are completely settled.

The agreement is also valid for any subsequent shootings, unless otherwise agreed.
